Distressed Listings (By County)

The number of distressed single-family, condominium and townhome properties that were for sale at the end of the last month by county.

Filters Used: County: Nevada County, California

Appendix

The metrics that are calculated by RPR® may show the same general trends as those published by other sources (i.e. MLS, Associations or vendors), but because of our processes and parcel-centric approach, some variation may occur. Data sources include MLS's, where licensed, and public records for more in-depth metrics on distressed properties.
